

Our Senior Clients love receiving handmade gifts from the community. It's one of the best ways for them to feel seen and appreciated!

Basic Requirements:

- All gifts should be neat and show care – ask yourself, is this something you would want?
- Please donate the gifts in quantities by the dozen (12, 24, 36 gifts, etc.) or in groups of 15s (15, 30, 45 gifts, etc.)
- All items should be non-denominational and non-political
 - We do accept Christmas and Hanukkah gifts in December!

Next Steps: Contact Meals on Wheels Diablo Region with the following information:

- What are you donating?
- How many?
- Which region/city would you like to receive the gifts and when?
- Your preferred date for dropping off the donation at our office

Contact Us:

Our Volunteer Coordinator or Nutrition Program Senior Manager will happily help arrange the deliveries. With your permission, we would also love to take photos of you and/or your group with your donation to share with our community as well!
